

THE SAINT TIM'S TIMES

Buzzin' Around

Joy Cullen recently shared these photos of her new bees. As she says, "there's a lot to know and teach about bees"! Can't wait to hear more, but for now enjoy this photo essay.

In our community

As a new school year begins, we wanted to introduce you to new faces you might see on campus. This year we have one new preschool teacher, an assistant in the twos classroom. While she is new to our teaching roster, she is not new to St.

Timothy's preschool... Lina has had children attend as students in the past!

Please welcome her if you see her.

Name

Lina Rossi

Class

Assistant to Mrs. Sharon in the 2s class

Education background and experience

I am originally from Guatemala and have lived in Greenville for more than 10 years. My background is in marketing and administration, and have volunteered at church for many years in Guatemala and Greenville.

Family and hobbies

I like art and crafts, listen to music, and together with my husband and 3 kids we take care of my dog, and backyard chickens. I like to dedicate time helping in my community in the education of children with love and patience.
