The mission of St Timothy's is to grow closer to God and our neighbor through inspiring and empowering each other to follow Christ.

We have worship opportunities with varying formats and musical styles, designed for all ages.

We share our lives with each other through interest groups and service projects.

The St Timothy's Lobster Fair supports the church's mission and community outreach programs.

We serve our neighbors near and far with outreach projects, including:

BRACE

Community Crossroads Center

Community Garden

Joy Soup Kitchen

Operation Sunshine

Rise Against Hunger

Scouting
